_operations

```
graph LR; A[Operation_block::release_operations] --> B[Operation::get_type]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'Operation_block::release' on the top line and '_operations' on the bottom line. The right box is white with a black border and contains the text 'Operation::get_type'. A dark blue arrow points from the right side of the left box to the left side of the right box.
