

Two\_Qubit\_Decomposition  
::test\_indepenency

two\_qubit\_decomposition

```
graph LR; A[two_qubit_decomposition] --> B[Two_Qubit_Decomposition::test_indepenency]
```

The diagram illustrates a function call. A box on the right, labeled 'two\_qubit\_decomposition', has a blue arrow pointing to a box on the left, labeled 'Two\_Qubit\_Decomposition::test\_indepenency'. The left box has a light gray background, while the right box has a white background. Both boxes have a black border.
